BENEFITS OF TRAINING IN COONEYCAREY

We provide varied training, rather than being assigned to a particular sector. This enables our trainees gain knowledge across a much broader spectrum of clients and industries.

You may receive more responsibility earlier in your career. Rather than being a junior member of a large team you can gain ownership of your own assignments. You will have the opportunity to travel abroad with client assignments.

We offer a work life balance that is generally not available in larger entities. While we love what we do, we believe it is essential to have time for you, your family and friends.

We can assist in placing you abroad through our relationship with Russell Bedford International, if this is your future career choice.

LIFE OUTSIDE OF WORK
