

Right to Withdraw Consent

Under what circumstances could I withdraw consent?

You can withdraw consent if we are processing your personal data based on your consent.

When can I withdraw consent?

You can withdraw consent at any time.

If I withdraw consent what happens to my current data?

Any processing based on your consent will cease upon the withdrawal of that consent. Your withdrawal will not affect any processing of personal data prior to your withdrawal of consent, or any processing which is not based on your consent.
